**CALENDAR RAFFLE UPDATE:** \$20 per calendar -Valid Jan-Dec 2019. Drawings every day Mon-Sat. The Football and basketball pamphlets went to print. Calendars are going to the Jail to be printed, with the hopes of passing them out to the student athletes in October. Cash incentives for the top sellers. Every month the name of all athletes who sold calendar winners in that month, will be placed in a drawing for \$50 Cash! Spread the word that athletes need to hand in unsold calendars. Tracking is always a daunting task.

**GSFBA Annual Dinner:** The Bridge dinner went well. We served 200 vs over 400 last year. It was more organized than in years past. We had several adults attend and help out. We negotiated a higher pay out, but the amount has not been received as of yet. The athletes did collect \$920.00 in Tips!! The team who collected the most were Bennett, Megan and Barrett! As always the athletes worked incredibly hard and as a team! Dinner guests commented on their level of professionalism. Great job everyone!!

**NEW OFFICERS:** Jen Pease volunteered to shadow Pam Guyette-treasurer so she can take over the title in fall of 2019. We are still looking for someone to step up and take on the Secretary position.

**OPEN FLOOR:** We did an overall welcome to all new members and returning. It was a great turnout and we hope the attendance grows each month. We discussed volunteer opportunities that are available throughout the year. We stressed the importance of committee chairs for basketball concessions, wreath sales, calendar sales, golf tournaments, bridge dinner etc.

Open House is Thu Sept 20<sup>th</sup>. MAA will have a booth set up to help attract volunteers and get the word out as to who and what we represent.
